

**KLA Fund Raising Committee**

**Report to the Kentucky Library Association Board**

**March 5, 2011**

**A draft Blue Book entry for the Fund Raising Committee has been submitted to the KLA Executive Board for review and approval at the March Board meeting. The proposal includes moving the Vendor Relations Chair from the Conference Planning Committee entry to the Fund Raising Committee entry.**

**I have been gathering information from various library associations, including KPLA, regarding vendor sponsorship opportunities at conferences as well as on websites. A standard list of rates for various levels of sponsorship needs to be developed for the Fund Raising committee to proceed with pursuing sponsorships. Once the Board approves the Committee's composition and a committee is in place we will be able to move forward on developing this list as well as drafting letters and other materials to send out to potential sponsors.**

**Respectfully submitted,**

**Elliot Appelbaum  
Fund Raising Committee Chair**
